Dear Laura,

The Leighty Foundation is pleased to grant \$5,000 to Operation Rainbow, Inc. for volunteer travel expenses for medical missions.

As a private foundation, we give only to organizations that are exempt from income tax under the IRS code Section 501(c)(3), and are publicly funded. According to our records, Operation Rainbow, Inc. is so qualified. We assume you will notify us of any change in this status. **Please complete this form, copy for your records, and return the original to us within 10 working days.**

These grant funds should be used for purposes outlined in your proposal unless we have further discussion. By law, no foundation funds can be used to influence legislation or the outcome of any election, or carry on any voter registration drive.

Evaluation is an important component in assessing the value and the impact of the investment we will both be making. We will email you this form with a completion deadline in Spring 2010. We have found it helpful after receiving the evaluation to have a conversation in person or by phone using the written report as the foundation for a rich discussion from which we all can learn.

We appreciate the opportunity to partner with you, and look forward to hearing about your successes and challenges.

Sincerely,

Jane Leighty Justis, Executive Director
